

The International Safer Roads Conference 2008

Road Safety – views from the RAC Foundation

Sheila Rainger
DEPUTY DIRECTOR
RAC Foundation

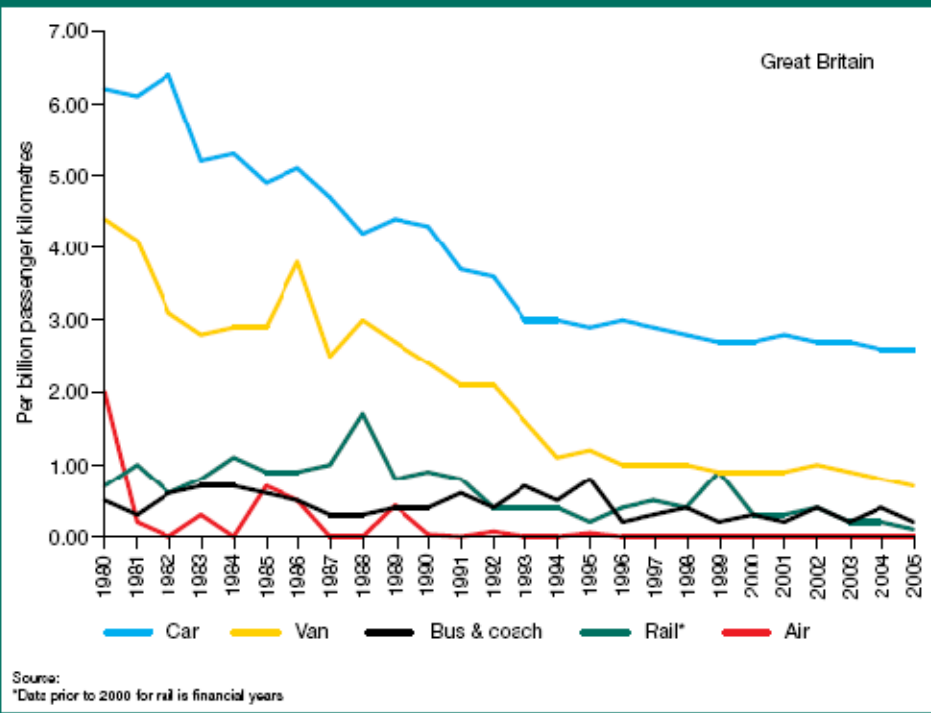

RAC Foundation

The RAC Foundation for Motoring is an independent charity established to promote and conduct research into the environmental, economic, mobility and safety issues relating to the use of motor vehicles.

How safe are our roads ?

Figure 2.4: Passenger fatality rates in air, rail, motor vehicles: 1980 to 2005

Are targets helping?

Getting the basics right

- Drink Driving
- Seat Belts
- Unlicensed driving

Enforcement...

...is a road safety issue

Time for a systems approach?

Are new ideas needed?
